

## **Greta's Sailing**

Greta's sailing, Greta's sailing  
Home again, cross the seas,  
Greta's sailing, stormy waters,  
To be carbon, carbon free.

Can you hear us, can you hear us,  
All you MPs, Lords and Peers?  
Stop your fracking, stop your drilling,  
Stop your air fuel subsidies.

We need wisdom, we need solar,  
We need wind power, we need trees.  
We need bike lanes, we need buses,  
We need nature, birds and bees.

We're all sailing, we're all sailing,  
Home again, cross the seas,  
We're all sailing, past the oil clouds,  
To be carbon, carbon free.
